***Sicily, Aitna,** drachm, 476-470 BC, naked youth on horseback riding to right, *rev.,* AITN-AI-ON, Zeus Aitnaios, wearing himation, seated right on throne, holding thunderbolt and sceptre surmounted by an eagle or possibly a dove (also sacred to Zeus), his feet resting on footstool, 4.18g (Boehringer, C., Hieron's Aitna und das Heroneion, *JNG* 18, 1968, pp. 67-98 and pl. 7, 2, *this piece;* Dobretsberger, J., *Mitteilung der Österreichischen Numismatischen Gesellschaft,* 1961, 6, p. 49-50; Kraay, ACGC, p. 212; de Callataÿ, F. and H. Gitler, 'The Coin of Coins,' Israel Museum, Jerusalem, 2004, p. 29 and footnote 17), *with faint traces of overstriking in the reverse field, good very fine, of historical importance and the only recorded example* £40,000-50,000

Ex Auctiones 20, Basel, 8 November 1990, lot 117.

In 476/5 BC the tyrant Hieron of Syracuse moved his capital to Katana, expelling the indigenous population and renaming it Aitna because of its close proximity to Mount Etna. The occupation lasted some 15 years until 460 BC when, after Hieron's death, the Katanians retook their city, in turn expelling the former Syracusans who resettled at nearby Inessa. The present coin stems from Aitna's first coinage of 475-470 BC and, together with a unique tetradachm (Antikenmuseum Basel 250), they are today the only recorded specimens of this coinage. Their obverses are copied from Syracusan prototypes, the tetradrachm with its quadriga (although driven here by Athena) and the present drachm, with its naked youth on horseback, which is virtually identical to Boehringer (Syracuse) obverse die V.29. However both display on their reverses a new type of the enthroned Zeus Aitnaios, the patron god of Mount Etna, and of the two, the drachm is the better preserved in terms of revealing the entirety of the design. Both show traces of overstriking suggesting a brief issue when old coins were re-struck rather than using new flans manufactured for the coining process.

Besides its great rarity, the importance of the present coin lies in the iconography of the enthroned Zeus for it must have acted as an inspiration for the famous and unique tetradrachm of Aitna of circa 460 BC now in the Brussels cabinet (Collection Lucien de Hirsch 269; Boehringer pl. 15, Z1; Jenkins 364; Kraay-Hirmer 33 etc.) by the so-called Aitna Master, who is also considered to have been the author of the Naxos tetradrachm of the same date (Cahn 54; Kraay-Hirmer 6 etc.). It has been suggested that the reverses of the coins of Aitna may be evidence of the existence of a cult statue of Zeus erected on the summit of Mount Etna, now lost (see de Callataÿ and Gitler, *op. cit.*, p. 20).

ROMAN AND BYZANTINE COINS

THE NORTH SUFFOLK HOARD OF ROMAN DENARII

This hoard of 206 Roman silver coins was discovered by metal detector users John Halles and Norman Howard in April and May 2009. The coins appear to have been concealed in a small pit in the ground with no evidence of a container present. The earliest coins date to the 2nd century BC and the latest to the reign of Domitian, around AD 82-83. Of special interest are denarii of the Imperatorial period including issues of Pompey, Julius Caesar and Mark Antony as well as Imperial denarii of Augustus, Caligula, Claudius, Nero and the emperors of the Civil War of AD 68-69, Galba, Otho and Vitellius.

Nine coins have been purchased by the British Museum and the remainder are offered here. A synopsis of the hoard has been published in the 2010 edition of *The Numismatic Chronicle,* p. 409, no. 8. The coins are mainly offered in the condition in which they were discovered although some of the better preserved examples have been lightly cleaned to remove encrustation. All coins are identified in paper envelopes.

END OF SALE

Conditions of Business for Buyers

1. Introduction

(a) The contractual relationship of Morton & Eden Ltd. and Sellers with prospective Buyers is governed by:-
(i) these Conditions of Business for Buyers;
(ii) the Conditions of Business for Sellers displayed in the saleroom and available from Morton & Eden Ltd.;
(iii) Morton & Eden Ltd.'s Authenticity Guarantee;
(iv) any additional notices and terms printed in the sale catalogue, in each case as amended by any saleroom notice or auctioneer's announcement.

(b) As auctioneer, Morton & Eden Ltd. acts as agent for the Seller. Occasionally, Morton & Eden Ltd. may own or have a financial interest in a lot.

2. Definitions

"**Bidder**" is any person making, attempting or considering making a bid, including Buyers;
"**Buyer**" is the person who makes the highest bid or offer accepted by the auctioneer, including a Buyer's principal when bidding as agent;
"**Seller**" is the person offering a lot for sale, including their agent, or executors;
"M&E" means Morton & Eden Ltd., auctioneers, 45 Maddox Street, London W1S 2PE, company number 4198353.
"Buyer's Expenses" are any costs or expenses due to Morton & Eden Ltd. from the Buyer;
"**Buyer's Premium**" is the commission payable by the Buyer on the Hammer Price at the rates set out in the Important Information for Buyers;
"**Hammer Price**" is the highest bid for the Property accepted by the auctioneer at the auction or the post auction sale price;
"**Purchase Price**" is the Hammer Price plus applicable Buyer's Premium and Buyer's Expenses;
"**Reserve Price**" (where applicable) is the minimum Hammer Price at which the Seller has agreed to sell a lot.

The Buyer's Premium, Buyer's Expenses and Hammer Price are subject to VAT, where applicable.

3. Examination of Lots

(a) M&E's knowledge of lots is partly dependent on information provided by the Seller and M&E is unable to exercise exhaustive due diligence on each lot. Each lot is available for examination before sale. Bidders are responsible for carrying out examinations and research before sale to satisfy themselves over the condition of lots and accuracy of descriptions.

(b) All oral and/or written information provided to Bidders relating to lots, including descriptions in the catalogue, condition reports or elsewhere are statements of M&E's opinion and not representations of fact. Estimates may not be relied on as a prediction of the selling price or value of the lot and may be revised from time to time at M&E's absolute discretion.

4. Exclusions and limitations of liability to Buyers

(a) M&E shall refund the Purchase Price to the Buyer in circumstances where it deems that the lot is a Counterfeit, subject to the terms of M&E's Authenticity Guarantee.

(b) Subject to Condition 4(a), neither M&E nor the Seller:-
(i) is liable for any errors or omissions in any oral or written information provided to Bidders by M&E, whether negligent or otherwise;
(ii) gives any guarantee or warranty to Bidders and any implied warranties and conditions are excluded (save in so far as such obligations cannot be excluded by English law), other than the express warranties given by the Seller to the Buyer (for which the Seller is solely responsible) under the Conditions of Business for Sellers;
(iii) accepts responsibility to Bidders for acts or omissions (whether negligent or otherwise) by M&E in connection with the conduct of auctions or for any matter relating to the sale of any lot.

(c) Without prejudice to Condition 4(b), any claim against M&E and/ or the Seller by a Bidder is limited to the Purchase Price for the relevant lot. Neither M&E nor the Seller shall be liable for any indirect or consequential losses.

(d) Nothing in Condition 4 shall exclude or limit the liability of M&E or the Seller for death or personal injury caused by the negligent acts or omissions of M&E or the Seller.

5. Bidding at Auction

(a) M&E has absolute discretion to refuse admission to the auction. Before sale, Bidders must complete a Registration Form and supply such information and references as M&E requires. Bidders are personally liable for their bid and are jointly and severally liable with their principal, if bidding as agent (in which case M&E's prior and express consent must be obtained).

(b) M&E advises Bidders to attend the auction, but M&E will endeavour to execute absentee written bids provided that they are, in M&E's opinion, received in sufficient time and in legible form.
(c) When available, written and telephone bidding is offered as a free service at the Bidder's risk and subject to M&E's other commitments; M&E is therefore not liable for failure to execute such bids. Telephone bidding may be recorded.

6. Import, Export and Copyright Restrictions

M&E and the Seller make no representations or warranties as to whether any lot is subject to import, export or copyright restrictions. It is the Buyer's sole responsibility to obtain any copyright clearance or any necessary import, export or other licence required by law, including licenses required under the Convention on the International Trade in Endangered Species (CITES).

7. Conduct of the Auction

(a) The auctioneer has discretion to refuse bids, withdraw or re-offer lots for sale (including after the fall of the hammer) if (s)he believes that there may be an error or dispute, and may also take such other action as (s)he reasonably deems necessary.

(b) The auctioneer will commence and advance the bidding in such increments as (s)he considers appropriate and is entitled to place bids on the Seller's behalf up to the Reserve Price for the lot, where applicable.

(c) Subject to Condition 7(a), the contract between the Buyer and the Seller is concluded on the striking of the auctioneer's hammer.

(d) Any post-auction sale of lots shall incorporate these Conditions of Business.

8. Payment and Collection

(a) Unless otherwise agreed in advance, payment of the Purchase Price is due in pounds sterling immediately after the auction (the "Payment Date").

(b) Title in a lot will not pass to the Buyer until M&E has received the Purchase Price in cleared funds. M&E will generally not release a lot to a Buyer before payment. Earlier release shall not affect passing of title or the Buyer's obligation to pay the Purchase Price, as above.

(c) The refusal of any licence or permit required by law, as outlined in Condition 6, shall not affect the Buyer's obligation to pay for the lot, as per Condition 8(a).

(d) The Buyer must arrange collection of lots within 10 working days of the auction. Purchased lots are at the Buyer's risk from the earlier of (i) collection or (ii) 10 working days after the auction. Until risk passes, M&E will compensate the Buyer for any loss or damage to the lot up to a maximum of the Purchase Price actually paid by the Buyer. M&E's assumption of risk is subject to the exclusions detailed in Condition 5(d) of the Conditions of Business for Sellers.

(e) All packing and handling of lots is at the Buyer's risk. M&E will not be liable for any acts or omissions of third party packers or shippers.

9. Remedies for non-payment

Without prejudice to any rights that the Seller may have, if the Buyer without prior agreement fails to make payment for the lot within 5 working days of the auction, M&E may in its sole discretion exercise 1 or more of the following remedies:-

(a) store the lot at its premises or elsewhere at the Buyer's sole risk and expense;

(b) cancel the sale of the lot;

(c) set off any amounts owed to the Buyer by M&E against any amounts owed to M&E by the Buyer for the lot;

(d) reject future bids from the Buyer;

(e) charge interest at 8% per annum above Lloyds TSB Bank plc Base Rate from the Payment Date to the date that the Purchase Price is received in cleared funds;

(f) re-sell the lot by auction or privately, with estimates and reserves at M&E's discretion, in which case the Buyer will be liable for any shortfall between the original Purchase Price and the amount achieved on re-sale, including all costs incurred in such re-sale;

(g) Exercise a lien over any Buyer's Property in M&E's possession, applying the sale proceeds to any amounts owed by the Buyer to M&E. M&E shall give the Buyer 14 days written notice before exercising such lien;

(h) commence legal proceedings to recover the Purchase Price for the lot, plus interest and legal costs;

(i) disclose the Buyer's details to the Seller to enable the Seller to commence legal proceedings.

10. Failure to collect purchases

(a) If the Buyer pays the Purchase Price but does not collect the lot within 20 working days of the auction, the lot will be stored at the Buyer's expense and risk at M&E's premises or in independent storage.

(b) If a lot is paid for but uncollected within 6 months of the auction, following 60 days written notice to the Buyer, M&E will re-sell the lot by auction or privately, with estimates and reserves at M&E's discretion. The sale proceeds, less all M&E's costs, will be forfeited unless collected by the Buyer within 2 years of the original auction.

11. Data Protection

(a) M&E will use information supplied by Bidders or otherwise obtained lawfully by M&E for the provision of auction related services, client administration, marketing and as otherwise required by law.

(b) By agreeing to these Conditions of Business, the Bidder agrees to the processing of their personal information and to the disclosure of such information to third parties world-wide for the purposes outlined in Condition 11(a) and to Sellers as per Condition 9(i).

12. Miscellaneous

(a) All images of lots, catalogue descriptions and all other materials produced by M&E are the copyright of M&E.

(b) These Conditions of Business are not assignable by any Buyer without M&E's prior written consent, but are binding on Bidders' successors, assigns and representatives.

(c) The materials listed in Condition 1(a) set out the entire agreement between the parties.

(d) If any part of these Conditions of Business be held unenforceable, the remaining parts shall remain in full force and effect.

(e) These Conditions of Business shall be interpreted in accordance with English Law, under the exclusive jurisdiction of the English Courts, in favour of M&E.

Morton & Eden Ltd.'s Authenticity Guarantee

If Morton & Eden Ltd. sells an item of Property which is later shown to be a "Counterfeit", subject to the terms below Morton & Eden Ltd. will rescind the sale and refund the Buyer the total amount paid by the Buyer to Morton & Eden Ltd. for that Property, up to a maximum of the Purchase Price.

The Guarantee lasts for two (2) years after the date of the relevant auction, is for the benefit of the Buyer only and is non-transferable.

"Counterfeit" means an item of Property that in Morton & Eden Ltd.'s reasonable opinion is an imitation created with the intent to deceive over the authorship, origin, date, age, period, culture or source, where the correct description of such matters is not included in the catalogue description for the Property.
Property shall not be considered Counterfeit solely because of any damage and/or restoration and/or modification work (including, but not limited to, traces of mounting, tooling or repatinating).
Please note that this Guarantee does not apply if either:-

(i) the catalogue description was in accordance with the generally accepted opinions of scholars and experts at the date of the sale, or the catalogue description indicated that there was a conflict of such opinions; or

(ii) the only method of establishing at the date of the sale that the item was a Counterfeit would have been by means of processes not then generally available or accepted, unreasonably expensive or impractical; or likely to have caused damage to or loss in value to the Property (in Morton & Eden Ltd.'s reasonable opinion); or

(iii) there has been no material loss in value of the Property from its value had it accorded with its catalogue description.

To claim under this Guarantee, the Buyer must:-

(i) notify Morton & Eden Ltd. in writing within one (1) month of receiving any information that causes the Buyer to question the authenticity or attribution of the Property, specifying the lot number, date of the auction at which it was purchased and the reasons why it is believed to be Counterfeit; and

(ii) return the Property to Morton & Eden Ltd. in the same condition as at the date of sale and be able to transfer good title in the Property, free from any third party claims arising after the date of the sale.

Morton & Eden Ltd. has discretion to waive any of the above requirements. Morton & Eden Ltd. may require the Buyer to obtain at the Buyer's cost the reports of two independent and recognised experts in the relevant field and acceptable to Morton & Eden Ltd. Morton & Eden Ltd. shall not be bound by any reports produced by the Buyer, and reserves the right to seek additional expert advice at its own expense. In the event Morton & Eden Ltd. decides to rescind the sale under this Guarantee, it may refund to the Buyer the reasonable costs of up to two mutually approved independent expert reports, provided always that the costs of such reports have been approved in advance and in writing by Morton & Eden Ltd.
